

## **Register Today for 2008 North Carolina EHS School**

As a member of the Steering Committee (and Sponsor or Exhibitor) for the 2008 North Carolina Environmental, Health and Safety (EHS) School, I wanted to personally invite you to attend this year's school. Now in its 7th year, the EHS School is North Carolina's premier conference and exhibition for environmental, health and safety professionals

This year, the EHS School will be offering a new track called Energy & Sustainability, and this track will feature up-to-date information on how to save money and save energy. This information alone is well worth the cost of the School.

Register today at: [http://mcicnc.org/EHS\\_School/index.html](http://mcicnc.org/EHS_School/index.html)  
for MCIC's 2008 North Carolina Environmental, Health and Safety (EHS) School.

The School has applied for and expect to receive continuing education credits for courses at the 2008 EHS School from the: North Carolina State Bar, North Carolina Water Pollution Control Systems Operators Certification Commission, Board of Certified Safety Professionals, and the American Board of Industrial Hygiene.

The 2008 EHS School will be held Monday, August 25 and Tuesday, August 26, 2008 at the McKimmon Conference and Training Center in Raleigh, North Carolina.

The standard tuition to attend the 2008 EHS School is \$299. The School accepts payment by check or credit card (Visa and Master Card only). You may register and pay by credit card electronically on the School's secured server.

For additional information and to register for the 2008 North Carolina Environmental, Health & Safety School go to [http://mcicnc.org/EHS\\_School/index.html](http://mcicnc.org/EHS_School/index.html).
